ALSO: How I Travelled From Betting Loser to Weekly Profits Dear Fellow Punter, Tune in. I get the idea. Selecting winning race horses isn't easy. If it had been, every Tom, Dick and Harry will be pulling a lot of money from the bookies each day. We've all sensed that sinking feeling within the pit of our own stomachs. Betting over a 'sure thing' merely to see it get rid of, then you grab up your wagering slip, shout a several curse words and make precisely the same mistakes over and over. I've tried my personal selections (usually this names of horse I liked), I've covered selections, I've tried using tipsters, professional bettors and softwares. **[Betting On Horse Racing For Dummies](#)** A few did OK, almost all failed miserably. And once I say totally, I mean walking home from your bookies because We spent my train fare about the last horse... yep, that miserably.. NEWSFLASH... Betting is not allowed to be easy. But it may be PROFITABLE. How? I'll provide you with... My name can be Yuri Belyanov and for 7 weeks I struggled to produce any decent income from betting around the Horse Racing. It started like a hobby (an expensive one I have to add), developed into an obsession and now its an simple weekly side earner. What should i mean when We say side earner? Well I take between £266-485 in winnings each week from small £10 & £20 craps bets. Tax-free I must add. Joint Our Webinar: **[7 Day Winners Betting Secrets](#)**
